Consolidated Financial Statements

August 31, 2015 and 2014

With Independent Auditor's Report Thereon

## **Independent Auditor's Report**

The Board of Directors  
Task Force for Global Health, Inc.:

### **Report on the Consolidated Financial Statements**

I have audited the accompanying consolidated financial statements of the Task Force for Global Health, Inc. ("the Task Force") which comprise the consolidated statements of financial position as of August 31, 2015 and 2014, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

### **Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

My responsibility is to express an opinion on these consolidated financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Opinion

In my opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Task Force as of August 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### Other Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying information included in Schedules 1 and 2 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

## TASK FORCE FOR GLOBAL HEALTH INC.

### Notes to Consolidated Financial Statements

August 31, 2015 and 2014

#### (1) Summary of Significant Accounting Policies

##### (a) Description of Business

The Task Force for Global Health, Inc. (the "Task Force"), incorporated May 5, 1986, is a nonprofit organization, which is funded by various organizations to reduce the burden of vaccine preventable and neglected tropical diseases and strengthen health delivery systems by forging partnerships and applying innovative solutions to global health problems.

The accompanying consolidated financial statements include the financial position and operating results of the Task Force's subsidiary organization, Global Health Solutions, Inc ("GHS"). All significant intra-organizational accounts and transactions have been eliminated. GHS was incorporated in the State of Georgia on September 22, 2005 for the purpose of supporting the Task Force's global health projects. GHS is organized under Section 501(c)(3) of the Internal Revenue Code.

##### (b) Accrual Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting.

##### (c) Basis of Presentation of Financial Statements

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Task Force and changes therein are classified as unrestricted and temporarily restricted.

Unrestricted net assets include amounts that are not subject to donor-imposed stipulations, which are used to account for resources, and are available to carry out the purposes of the Task Force in accordance with the limitations of its charter and bylaws.

Temporarily restricted net assets are those resources currently available for use, but expendable only for purposes specified by the donor or grantor. Such resources originate from contributions and gifts-in-kind restricted for specific purposes. When a donor or grantor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

##### (d) Cash Equivalents

For purposes of the consolidated statement of cash flows, the Task Force considers highly liquid investments with maturities of three months or less to be cash equivalents.

## Notes to Consolidated Financial Statements

August 31, 2015 and 2014

**(e) Grants, and Contracts Receivable**

Grants and contracts receivable are expected to be collected in one year or less.

**(f) Land, Building, and Equipment**

Building and equipment are recorded at cost at date of acquisition. Building and equipment are depreciated using the straight-line method over the estimated useful lives of the respective assets (5 to 30 years). Equipment is capitalized if it has a cost of \$5,000 or more and a useful life when acquired of more than 1 year. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred.

**(g) Management Estimates**

Management of the Task Force has made certain estimates and assumptions related to the reporting of contributions receivable, accounts payable, and accrued absences to prepare the financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

**(h) Tax Status**

The Task Force is exempt from federal and state income taxes under the provisions of Section 501(c)(3) of the United States Internal Revenue Code. The Task Force is a public charity as defined in Section 509(a)(1) and 170(b)(1)(A)(vi) of the United States Internal Revenue Code. Global Health Solutions, Inc. is exempt from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code. GHS is classified as a public charity and is qualified to receive tax deductible bequests, devises, transfers and gifts under Section 2055, 2106 or 2522 of the Code. GHS is also categorized as a Type 1 supporting organization under Section 509 (a). The tax years ending 2012, 2013 and 2014 are still open to audit for both federal and state purposes.

### Notes to Consolidated Financial Statements

August 31, 2015 and 2014

#### **(5) Indirect Cost Recovery Revenue and Expense**

In the normal course of operations, the Task Force is responsible for expending certain donated funds as directed by sponsoring organizations. The revenues and related expenses for these transactions have been recorded in the financial statements of the Task Force. In exchange for management of these funds, the Task Force is permitted to collect an indirect cost fee from the sponsoring organizations. For the years ended August 31, 2015, and 2014, the amount of indirect cost fee revenue collected totaled \$5,041,129 and \$3,713,851, respectively, and was recorded as unrestricted revenue in the statements of activities.

#### **(6) Gifts-in-Kind**

Gifts-in-kind revenue consists of medicine donated to GHS for distribution in Armenia, Burkina Faso, Chad, Congo, Equatorial Guinea, Eritrea, Ethiopia, Gambia, Ghana, Kenya, Mauritania, Malawi, Morocco, Mozambique, Nepal, Niger, Nigeria, Senegal, South Sudan, Solomon Islands, Tanzania, Uganda, Yemen, and Zambia. Donated medicine is recorded at fair value at \$1,609,270,372 and \$1,790,885,126 for the years ended August 31, 2015 and 2014, respectively.

#### **(7) Pension Plan**

Substantially all Task Force employees are eligible to participate in the 403(b) retirement plan administered by Emory University. After the employee becomes eligible, Task Force makes a basic contribution equal to 6% of an eligible employee's regular salary; by meeting certain requirements and the employee contributing an additional 2%, Task Force will add an additional 3% match. Under this plan, the Task Force makes contributions to the Emory fringe benefits pool from which employer contributions are made. The associated charge, which also includes employee insurance coverage, was approximately 26% of gross salaries for employees for the years ended August 31, 2015 and 2014, resulting in payments into this fringe benefit pool totaling \$2,108,262 and \$1,918,810, respectively.

#### **(8) Subsequent Events**

Subsequent events have been evaluated through October 15, 2015, which is the date the consolidated financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the consolidated financial statements would be required.
